

The Story CORE Foods creates healthy packaged foods and is starting the world's first produce-only restaurant and commercial kitchen, with all their ingredients sourced as locally as possible and grown organically.

The Opportunity CORE Foods came to BusinessAdvising.org for help increasing sales and expanding their team. Over the course of their time in the BusinessAdvising.org program, they have been matched with four advisors from different fields, all with long-term growth in mind.

The Success CORE Foods has grown from two to nine employees, and has seen a 140% revenue growth over the last year.
