THE OPPORTUNITY
La Plazita’s first location quickly became successful, but when it came time to expand to a second location with a more direct community focus in Fruitvale, she came to PCV for guidance.

THE SUCCESS
Working with PCV, La Plazita is converting jobs into careers—supporting their staff to enroll in college courses and validating their home-country degrees to ensure long-term success.

La Plazita Preschool is a true Spanish Immersion preschool where kids learn or retain Spanish, and also become fully prepared for Kindergarten.
